CollegeDoors®

Study Platform

LIVE CLASSES

Conduct live classes seamlessly and record them for reference

Teachers can upload notes that students can easily access and view them anytime from anywhere

E-NOTES

VIDEO UPLOADS

Upload video recordings of completed live classes and any other videos in unlimited numbers which can be viewed by students anytime

KEY FEATURES

For Teachers

- Schedule, edit and delete live classes anytime
- Create, edit, and delete students' batch for live classes conveniently
- Upload, add and edit course content videos as per requirements

For Students

- View course content videos for revision
- View, revise and learn from course content in digital format

KEY BENEFITS

Complete freedom for teachers to schedule and conduct classes anytime, from any device and from anywhere

Teachers can focus on teaching while the Study Platform takes over tasks like reminding students of schedules

24x7 access to teaching material and notes provided by teachers from any device frees students from the need to download and store them
